

2" CHEMICAL TRANSFER PUMP WITH HONDA GX200 ENGINE

MODEL: NP-2065HR

COMMERCIAL

SERIES

FEATURES

- **Versatile pump system** that can move water as well as a variety of chemicals such as liquid fertilizer.
- **Commercial Honda engine** with excellent weight to power ratio. Designed to be used all day, everyday.
- **Fiberglass-reinforced polyester pump** body construction withstands agriculture and industrial chemicals that would corrode aluminum pumps.
- **Steel roll cage** protects the machine and provides ergonomic hand holds to easily maneuver it.
- **Built-in data** plate includes all the key information the user would need to operate.
