

2" SEMI-TRASH TRANSFER PUMP WITH HONDA GX200 ENGINE

MODEL: TP-2065HT

COMMERCIAL

SERIES

FEATURES

- **Reinforced semi-trash water pump** that will handle water with dirt, grit and small rocks.
- **Commercial Honda engine** with excellent weight to power ratio. Designed to be used all day, everyday.
- **Reinforced aluminum body** and cast iron impellers can handle solids up to 5/8" making this pump ideal for moving dirty water.
- **T-handles** allow for toolless access into the pump body to be able to clean it out.
- **Steel roll cage** protects the machine and provides ergonomic hand holds to easily maneuver it.
- **Built-in data plate** includes all the key information the user would need to operate.
