

1" WATER TRANSFER PUMP WITH POWEREASE 79 ENGINE

MODEL: WP-1020R

WORKSHOP

SERIES

FEATURES

- **A lightweight, general purpose pump** for those who need to move water.
- **Rugged and reliable Powerease engine** drives the pump with plenty of power.
- **The pump body** and impeller are both made with aluminum to minimize weight.
- **Mounted on a steel plate** with carry handle for ease of storage and transportation while maintaining the stability it needs during operation.
