

9,000 WATT ELECTRIC START GENERATOR

COMMERCIAL SERIES

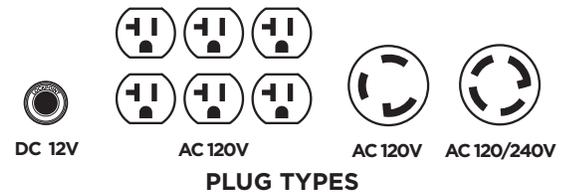

MODEL: BE-9000ER

FEATURES

- **Heavy-duty portable generator** ideal for remote worksites and emergency power.
- **Rugged and reliable engine** with automatic low oil-shutdown that safeguards the engine.
- **Includes electric start** and battery system.
- **Weather shielded outlets** that are further protected by circuit breakers and GFCIs for extra safety.
- **Durable powder coated steel roll cage** protects the generator and allows easy access for maintenance.
- **Includes heavy-duty flat free tires** and folding handles to help with portability and storage.
