

1,500 PSI - 1.4 GPM ELECTRIC PRESSURE WASHER WITH POWEREASE MOTOR AND AR AXIAL PUMP

MODEL: P1415EN

WORKSHOP

SERIES

FEATURES

- **Compact electric pressure washer** designed for projects around the house such as cleaning driveways, patios, vehicles, siding and more.
- **Electric motor** is rated at 1.3 HP and has a total start system that automatically shuts off the pressure washer when the trigger is released to prolong the life of the pump.
- **Equipped with a GFCI plug** that greatly reduces the risk of electric shock.
- **Maintenance free axial pump** with an on-board soap system delivers excellent performance.
- **Includes two spray wands.** A rotary nozzle for intense cleaning on hard surfaces, and a variable nozzle for when a gentler touch is needed.
- **Compact frame** with integrated storage system for all the accessories. Raised handle and 5" flat free tires make it easy to move around.
